## GROUNDS SELECTED.

The Wheeling Club Will be at Home Out-the-Pike on the Line of the Wheeling & Elm Grove Road, and

Will Endeavor to Play Sunday Ball. Although neither the officials of the Wheeling base ball club nor those of the Wheeling & Elm Grove Railroad Company would talk on the subject, the Intelligencer learned last night from a reliable source that the ball club has entered into an arrangement with the railroad company by which all the games will be played at a new ball park to be erected by the railroad company on the Thompson estate ground just beyond Fulton, and that the Island park will be abandoned. It follows, of course, that the ball club will attempt to play Sunday base ball at this park, in fact, Sunday ball is the only argument that could be used successfully in getting the club to desert the Island park, which the club to desert the Island park, which is admittedly the better location for the playing of week-day games. The ball club held out for a long time, desiring to play the week-day games at the Island park and Sunday games out the pike, but it is said the railroad company would consent to put up the new park only with the agreement that all games would be played there. The agreement has been closed with the exception of the signing of the papers, and this formality, it is understood, will be gone through with this morning. The Eim Grove agrees to give a three-minute service and to make the run to the new park in fourteen minutes.

The Wheeling management yesterday received a letter from President Young, of the National League, who is also the executive head of the National board of arbitration stating that the detailed that Mazena and Woodlock had detailed Syracuse contracts did not signed Syracuse contracts did not mean that they would be lost to the Wheeling club. Mr. Howell was asked wheeling club. Mr. Howelt was asked to produce the evidences of regular reservation of these players by the Springfield club. In due time, the board of arbitration will inform Mazena and Woodlock that they must sign with Wheeling or not play with any National agreement club.

A letter was received by the A letter was received by the local club yesterday, from Short-stop Wood-lock, stating that he had signed with Syracuse at Whistler's solicitation, but that he knew he would have to play in Wheeling. He expressed himself as satisfied to come to this city when the board of arbitration acts on the matter, Mazena wrote in a similar strain a few days ago.

wheeling has a first class team in the players who were in the Inter-state last season, not taking into consideration the new men secured who, played in other leagues last year. The following are the batting and fielding averages of the twelve who played in the Inter-state in '98:

1898 led the entire league, the team average being .293. The other teams folerage being 233. The other teams fol-lowed in this order: Grand Rapids, 235; New Castle, 233; Toledo, 156; Mansfield, 256; Dayton, 245; Fort Wayne, 229; Youngstown, 212. In fielding, Springfield was fourth. The figures were as follows: Youngs-town, 946; Dayton, 942; Toledo, 942; Springfield, 933; Fort Wayne, 935; Jánasfield, 932; New Castle, 929; Grand Rapids 629.

Rapids, .929.

Wheeling will be very fast on stealing bases. The seven regulars on the team who played in the Inter-state last year stole baswes as follows: Kihm. 36; Ma-zena (in only 45 games), 21; Woodlock, zena (in only 45 games), 21; Woodlock 27; Niles, 34; Dobbs, 22; Lytle, 29; Dur-rett, 29.

Wheeling is fortunate in securing all of the four Springfield pitchers of 1898. Springfield was the only club all of whose pitchers won a majority of games pitched. Here is the record for 1898:

 Pitcher
 Won. Lost.

May Have a Road Race

The Rough Riders Cycling Club will meet in the Hornbrook block to-morrow evening to discuss plans for pulling off a road race during the spring months, and it is very likely that the affair will be decided at this meeting as most of the members are in favor of the venture.

"FITZ" AND JEFFRIES

Were Matched Yesterday for a Fight

at Coney Island. NEW YORK, March 29.—Managers Brady and Julian, acting for James J. Jeffries and Robert Fitzsimmons, today signed articles of agreement for a fight before the Coney Island Sporting Club. The articles call for a twentyfive round bout, Marquis of Queens berry rules, to take place between 12 o'clock noon and 2 p. m. on May 26, George Siler will act as referee and five ounce gloves to be used. The fight will be for \$20,000, with 65.2-3 per cent of the revenue derived from the pictures to be paid to the men. Fitzsimmone, Jeffries and the club posted \$2,500 to bind the agreement.

BOXING TOURNAMENT.

The Opening Day of the Inter-State

Season the Date Selected. It was decided yesterday to hold the amateur boxing tournament on May 1, the date of the Inter-state opening in this city. This is a happy choice, for the battle between Wheeling and New Castle that afternoon, will conduce toward the success of the boxing affair in the evening. Further particulars will be announced in due time, and the work of receiving entries will begin in a couple of weeks at the latest. The interest manifested at the announcement that the tournament was contemplated has spurred the promoters on, and they promise to make May 1a banner night in local boxing history.

Never Felt Better.

CHICAGO, March 29.-Light weight champion, Kid Lavigne, who arrived in champion, Rid Lavigne, who arrived in Chicago to-day from San Francisco, was much amused to hear that a New York dispatch said he was laid up with a broken rib, as the result of his recent fight with "Mysterious Billy" Smith. "I never felt better in my life." said the boxer, "and I leave to-day for the East, and will sail for England on the first steamer to prepare for my bout with Dick Burge.

## BEEF INQUIRY.

Former Commissary General Eagan Recalled-No Startling Testimony. WASHINGTON, March 29.-The military court appointed to inquire into General Miles' charges concerning the beef supplied to the army during the Spanish war, had former Commissary General Eagan before it to-day on re call, and also heard the testimony of Rear Admiral Stewart and Paymaster Colby, of the navy, and Major Black and Captain Pomeroy, volunteer offi-cers, who were engaged in the commissary service in Ponce during the Porto Rican campaign.

General Eagan's testimony was not startling. He stated that Messrs, Armour & Company had put in a bid to supply beef, to be preserved by a process of their own, but that he had not considered it. He also modified a former statement, to the effect that the twenty-four hour clause in the beef contract had crept in as a clerical error, saying that in the multitude of matters which had been demanding his attention at the time he had forsotten its insertion. There was an apparent effort on the part of Major Lee, representing General Miles, to show that Senator Hanna had sought to influence the contracts, but General Eagan asserted that he did not know the senator, and no explanation was made of the introduction of his name. General Eagan made frequent references during the giving of his testimony to the numerous demands upon his time during the war, making this condition an explanation for not remembering details. Major Black and Captain Pomeroy gave the details concerning the beef brought to Porto Rico on the steamer Manitoba. Captain Pomeroy stated stated that of 21,000 pounds of beef receipted for at Ponce, 6,000 pounds had been condemned. They also detailed the objections made by the men to the canned roast beef. Major Black told of a conversation with General Eagan in regard to the refrigerated beef in which he quoted the latter as saying with an oath that he would have comrelled the men to take the beer.

Admiral Stewart and Paymaster Colby testified to the use of canned roast beef in the navy. startling. He stated that Messrs. Ar-mour & Company had put in a bid to

A Fee to Fee Grabbers. LANCASTER, Pa., March 29 .- H. C. Brubaker, one of the judges of the Lancaster county court, died to-day, at his home, in this city, of pneumonia, aged fifty-seven years. After having been defeated for the judgeship in 1891 been defeated for the judgeship in 1891 in one of the most bitter Republican factional fights in Lancaster county, Judge Brubaker was finally elected to succeeded Judge Patterson a year ago. His appearance on the bench caused a mild sensation. He had won his battle on the issue against illegal fee grabing in the court house offices, and started in to break up the practice in a manner that caused consternation among those officials, and for a time threatened to send some of them to jail. He was successful in his crusade, and won his fight for right and justice.

## ASPHALT PAVING.

Councilmen Chew Taking an Interest in the Subject and

RÉCEIVES SEVERAL LETTERS

From Asphalt People Regarding the Laying of Asphalt Over Worn-out Brick Payements - This has met With Success in Other Cities and may Receive a Trial Here-St. Louis People Like the new Method.

Councilman M. A. Chew, of the Third ward, who is interesting himself in the matter of re-paving with asphalt over worn-out brick paving, especially on some of the heavily traveled streets in the business section of the city, has received another batch of letters, giving additional information regarding this kind of paving.

The following letter from the California Asphalt Company, of Pittsburgh, places the cost of an asphalt paving plant at \$5,000, but of course Wheeling would not need the roller specified, as she has one now. The letter follows:

PITTSBURGH, March 27, 1899.

M. A. Chew, Wheeling, W. Va.: Dear Sir-Replying to your favor of the 20th inst. will state that a plant amply large for economically laying asphalt on the streets of your city would cost complete in the neighborhood of \$5,000. This would include the cost of a steam roller. An asphalt plant consists of sand dryers, asphalt plant consists of sand dryers, asphalt melting kettles, a mixer for mixing the melted asphalt and ried sand; a boiler and steam engine for the power necessary to run the sand dryers and mixer. If a building is not included the cost can be reduced considerably. Any time you should want us to write on the subject more definitely and with greater detail we will be pleased to do so. Very truly yours,

California Asphaltum Co., Limited.

The following letter gives information

The following letter gives information regarding Kentucky rock asphalt, which has been used with success in several cities:

LOUISVILLE Ky., March 22, 1899. Mr. M. A. Chew, Wheeling, W. Va.:

Mr. M. A. Chew, Wheeling, W. Va.:

Dear Sir—Mr. L. L. Gilbert, of Pittsburgh, who is a member of our company, writes to me that you want information in regard to Kentucky rock asphalt to use in repairing or resurfacing brick streets, and that you wish to know if it is feasible. In answer to this I wish to say that it is entirely feasible to resurface brick streets with Kentucky rock asphalt, and that we do not desire any better foundation.

The cost of the ground material f. o. b. cars Louisivile is 5per ton; the railroad rate to Wheeling is \$2.50 per ton, making a total cost of \$7.50 per ton, making a total cost of \$7.50 per ton, wheeling. These rates can possibly be reduced on large shipments, and it is possible that even less than railroad rates can be obtained by sending our material up the river on empty coal barges. This, of course, cannot be depended upon, but it might be possible to make a large saving on freight rates at certain times in the year. Each ton of our material will lay ten square yards of pavement two inches thick.

I will be stad to hear from you further, and glad to have you visit Louisville and inspect the work which we have done here. I enclose a copy of a letter from the commissioner of streets of St. Louis, where they are using our material on repairs of old asphalt streets.

Yours truly,

The Breckinridge Asphalt Co.

The letter referred to by the Breckin-ridge company, is from the St. Louis

The letter referred to by the Breckin-ridge company, is from the St. Louis people who have used the rock asphalt. It states:

Street Department, Commissioner's Office, December 20, 1898.

Mr. Marshall Morris, 16 Norton Build-ing, Louisville, Ky.:

Mr. Marshall Morris, 16 Norton Building, Louisville, Ky.:
Dear Sir-Replying to your favor of December 13th would state our experience in the use of rock asphalt has been that it does not creep, get hilly or wavev, and if a wagon should happen to pass over a hot patch in a couple of days the creases are all closed. We have laid during the year 1893 between 5,000 and 9,000 yards of rock asphalt and find that all of the patches stand and wear well.

Our mixture consists of two tons of rock asphalt put in a pan with sixty-four pounds of pulverized carbonate of lime spread on top, which is turned with shovels once; then thirty-two pounds more of carbonate of lime is sperad on top and turned; then one hundred and fifty pounds of liquid Trinidad asphalt added, making in all inlety-six pounds carbonate of lime and two hundred and fifty pounds of Trinidad asphalt to two tons of rock asphalt. The heat is between 220 and 250 degrees. The total square feet repaired by the city was 137,673. The number of square feet maintained by the city is 751,509.

Yours truly,
(Signed)

A. N. MILLER,

Street Commissioner.

Mr. Chew is interesting other councilmen in asphalt re-paying and the idea

Mr. Chew is interesting other council-men in asphalt re-paving and the idea is being received with considerable fa-

THE BIBLE OF THE BODY.

Next in importance to a Bible in the house is a thoroughly reliable and easily understood doctor book. With such a book understood doctor book. With such a book for ready reference, parents can often cure the ordinary family ailments without the expense of consulting a local physician,

The most complete, the simplest and best illustrated book of the kind is the People's Common Series Medical Adviser, written by that famous and successful Buffalo, N. Y., physician, Dr. R. V. Pierce, who has been many years and is to-day treating and curing the afflicted in all parts of the earth. This book has been termed the "Bible of the Body," because it is to the body or physical man what the Bible is to the soul or spiritual man, shedding light and revealing truth. It tells people in every day language how diseases are developed, what the symptoms are and how they can be cured. Its pictures show the appearance of all organs, muscles, and nerves of men and women. It treats upon every phase and complication of disease. The information in this book has been gathered by Dr. Pierce in his world-wide practice, and is founded upon actual experience—not upon theory. More than 1,200,000 American homes contain copies of this book. Formerly it sold for \$1.50 a copy. Now it is free. Send 21 one-cent stamps to Dr. R. V. Pierce, Buffalo, N. Y., to pay the cost of mailing only, and he will send you a copy of this 1008 page doctor book, bound in paper-covers. If you prefer a cloth-bound copy, send 31 stamps.

Mrs. R. P. Monfort, of Lebanon, Warren Co., Otho, write: "If drop you a line to let you

Mrs. R. P. Monfort, of Lebanon, Warren Co., Ohio, writes: "I drop you a line to let you know I have received the Medical Adviser. I think it a great prize to get so fine a book for so small a sum. A crisp new for dollar bill could not tempt me to part with it, so you see I am wonderfully pleased over it. My husband said to me, 'That book is worth five dollars to you,'"

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's

Progressive Neighbor. Little interest is being manifested in the coming election, which occurs next Monday, but it is generally conceded that the Republican ticket will be over-whelmingly victorious. Beside the lowhelmingly victorious. Beside the lo-cal and township offices to be filled, the questions of issuing \$35,600 bonds for the improvement of the water works and \$3,500 bonds for the completion of hose houses will be submitted to the voters of the city.

The Republican central committee held a special meeting in the city building last night, and made the usual assessments on prospective candidates to help defray expenses of the coming election. The committee desires that each aspirant assessed will pay in respective amounts before Saturday night.

night.

City Clerk Lash's report of the financial condition of the city has been prepared, and will be published to-day. According to the report, Martin's Ferry's bonded indebtedness amounts to \$202,500, and shows an improvement in this important item over the report of a year ago.

The new tin house at the Laughlin had to postpone operation yesterday for lack of metal. Considerable trouble is being had with the cold rolls, which have been broken several times in the past week, they being responsible for the idleness.

Ben Johnson, of Steubenville, was

Ben Johnson, of Steubenville, was arrested afternoon, for exposure of person, and was given \$20 and costs and ten days in fail by the mayor. He will be taken to St. Clairsville by Marshal Lindemuth to-day. Marshal Crappe, John Kyne, William Prince and Pete Miller, proprietors of saloons, were each fined \$5 and costs by Mayor Shipman yesterday morning, for operating slot machines.

Mrs. Blon B. Williams, of North Broadway, will give an "At Home" to the members of her Sunday school class Yriday afternoon, between the hours of 2 and 5 o'clock.

Mrs. George D. Jepson, who has been the guest of relatives on Fourth street returned to her home, at St. Clairsville, yesterday.

F. Brady, a formr business man of this city, now of Sandusky. Ohio, is the guest of friends and relatives here. Miss Anna Johnson, of High Ridge, is the guest of the family of Henry Hum-phreville, on Fourth street.

St. Mary's church choir has prepared an elaborate musical programme rendered Easter Sunday.

Harry Nichols, clerk at Scheehle's grocery, is confined to his home with sickness.

Ralph Young came down from Rochester, Pa., yesterday, to visit friends.

Singular Fatality.

INDIANAPOLIS, Ind., Merch 29 Adolph Fischer and Edgar E. Vanclave cabinet makers in Loudor's furniture factory, quarrelled this afternoon over factors, quarrelled this afternoon over a watch. Fischer struck Van Clave with his fist and the latter hurled a chisel at Fischer, which struck the ear-otid arters, causing Fischer to bleed to death in afteen minutes. Van Clave was arrested.

THINK THIS OVER.

A Rational Remedy for a National Trouble.

To say that hemorrhoids or the disease commonly known as piles is a national disease may be slightly over-drawn, but it is quite certain that at least one in every four persons is scafflicted.

Because it is common and not im-mediately fatal many suffer for years without giving the trouble any medical attention. Moreover, the rather general impres

Moreover, the rather general impression that a surgical operation is the only cure has much to do with delaying attention until the disease becomes deep seated and chronic.

Sufferers from piles should know that the Pyramid Pile Cure is better than a surgical operation: It cures without pain, it causes no detention from business and the cost is trifling, all druggists selling it at 50 cents per package.

age.
The astringent effects of the acids in

age.

The astringent effects of the acids in the Pyramid Pile Cure speedily contracts and restore to their natural condition the blood vessels of the affected parts, and as it quickly dissolves in the rectum the remedy soothes and heals the irritated surfaces, and these two things are the only necessary requirements for a cure.

The principal danger from piles is the liabilities to chronic ulceration of the rectal tissue, and nervous exhaustion from loss of sleep and attendant pain and irritation. All these symptoms the Pyramid quickly relieves and the fact that it is the most popular and widely sold of any pile cure is quite conclusive evidence of thorough merit. If you suffer from bleeding, itching or protruding piles try a fifty-cent package to-night. Ask your druggist for Pyramid Pile Cure.

## IN THE OIL FIELDS.

The wall on the Whittelean of Scio, owned by Jennings & Co., and worked as a mystery for more than a week, was drilled in Tuesday and is showing for forty barrels a day, says The location is about one 'D. S. W." mile south of the town, and shows o southern extension to previous developnents. The showing made since the well has been drilled in justifies the expressed opinion that it had been shu down when drilled into the sand to se cure adjacent leases.

down when drilled into the sand to secure adjacent leases.

There were 123 wells completed in the Scio field during the present month. Six were non-producers. The volume of new production was estimated at 3,670 barrels, or an average of thirty-one and one-third to the well. In January the average was forty-five barrels, and in February forty barrels to the well. The number of wells drilling at the close of this month is smaller than at the close of February. Fewer wells are drilling on town lots than in January or February. The United States Oil Company, Jennings & Co., and Myers & Brown are the most actively engaged in developing the territory. oping the territory.

Remarkable Rescue.

Mrs. Michael Curtain, Plainfield, Ill. Mrs. Michael Curtain, Plainfield, III., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine would cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well: now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at Logan Drug Co.'s drug store. Only 50 cents and \$1 00 very bottle guaranteed.

CURES FEMALE COMPLAINTS

Spring the Best Time to Cure Female Weakness.

Dr. Greene's Nervura the Surest Of All Remedies To Cure.

"I Think Dr. Greene's Nervura The Most Wonderful Remedy in the World."

Mrs. Ada McIntosh, Lisbon, Falls, Me.,

says:
"I had been suffering with female weak-"I had been suffering with female weak-ness and nervousness and was unable to do any work I was so weak and my nerves were so shattered. My nervousness was caused from an operation I was obliged to have about two years ago (laceration of the womb), which left my nervous system in a terrible condition. I was in bed ten weeks with nervous prostration and em-ployed three different doctors, but they could give me little relief and I gradually grew worse. I was on the yerge of insangrew worse. I was on the verge of insan-ity when I heard of Dr. Greene's Nervura blood and nerve remedy, and I gave it a trial, and before I had taken the first bottle I felt better and have now taken two bot-

tles and feel like a new person. I was un-able to do my work, but have improved so hat I can now do the work for four in the family. I think Nervura is the most won derful medicine in the world, and have ad-

derful medicine in the world, and have advised all my friends who feel sick to try it by all means. I can't say enough for this wonderful remedy."

Women have more confidence in Dr. Greene's Nervura than in any other medicine because a famous regular physician prepares it, which is a guarantee that it is perfectly adapted to cure. Dr. Greene, 35 West 14th St., New York City, is, without doubt, the most successful specialist in curing female complaints, his experience and practice are enormous, and you can and practice are enormous, and you can have the benefit of his advice and counsel without charge, either by calling or writing him about your case. Why not write and get his advice?

MOUNDSVILLE BUDGET.

Yesterday's News From Marshall County's Chief City.

A meeting of the public school teachers and parents of the school children was held at the school hall Tuesday evening, for the purpose of discussing the advisability of organizing a society of parents and teachers. A very interesting programme of music and rectinations was given, and the question under consideration was discussed at length. Mrs. J. F. Buriey was made temporary chairman and Miss Bird Turner secretary. Miss Jefferson and Mrs. Gehring were appointed a committee to act with the enairman in drafting a constitution and by-laws for the new organization.

D. L. Logan has removed from Tomren was held at the school hall Tuesday D .L. Logan has removed from Tom-

inson avenue to the dwelling over his furniture store, on Lafayette avenue, and Charles Hornbrook and family have moved from Akron, Ohio, to the property vacated by Mr. Logan.

erty vacated by Mr. Logan.

Story of a Slave.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This mirucle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Logan Drug Co., druggist.
